## About LUGMASTER™

### Ideal For:

- Changing tires
- Tow trucks
- Engineers
- Motor pools
- Tool kits
- Maintenance facilities
- Security barriers
- Construction
- Search & rescue

The powerful 24 Vdc LugMaster™ Impact Wrench is a force multiplier for the warfighter. Providing speed and safety, the LugMaster™ facilitates fast tire changes, door removal or vehicle maintenance, anywhere. It requires fewer soldiers to get the job done and increases the survivability of a vehicle in a hostile environment.

Designed specifically for military use and built to last, the LugMaster™ provides well over 500 ft. lbs. of torque in a lightweight, small package that is easily stowed on any vehicle. Built with pride in the USA, the LugMaster™ is backed by our outstanding warranty and support team. The LugMaster™ is a tool for success!

### Features:

- Available in powerful 1/2 inch drive
- System is durable, protected from the elements and built in the U.S.A.
- Very safe, comfortable and requires little operator training
- Powerful, thermally protected motor will not overheat
- Change tires and up-armor kits or perform maintenance anywhere
- 600 ft/lbs. of reverse torque easily busts stubborn lug nuts and bolts
- Customized kits are available
- Backed by our support team and outstanding 2 year warranty

### Warranty

Every LugMaster™ is warranted for two years from the date of purchase.
