# FAMILY OF ENGINEER CONSTRUCTION TOOL KITS

With more than 150,000 military standard tool systems we have proven to be the industrial leaders in manufacturing, system life-cycle management, equipment safety and system sustainment of military tool systems. Our goal is to prevent our US forces from becoming frustrated while waiting for correct standardized tool systems and consumable supplies to arrive, which often results in needless injury, property damage and destroyed equipment when they try to accomplish the mission with only the items they have.

Establishment of these tool systems and corresponding replenishment kits will provide a simple way to order and quickly reference the correct items, allowing timely orders by MILSTRIP or GPC regardless of location or operation. Kipper Tool is a Woman-Owned Small Business based in Gainesville, GA, and a distributor for over 450 tool and industrial supply manufacturers, featuring over 100,000 tool and hardware products. As you may know, the core of our business, and the area of which we are most proud, is our dedicated support to the Marines, Soldiers, Sailors and Airmen of our Armed Forces.

We are constantly working to make sure that we can and do deliver the equipment and supplies you need. We are not limited to MILSTRIP, GSA or DLA procurement systems. In fact, we welcome you to call us directly to review procurement and requisition options that best fit your needs. We are always eager to learn as well as execute new programs, options and systems, regardless of your geographic location or deployment hardships. We welcome direct orders and routinely direct ship all over the world. We are here to help; there is no issue too big or too small. For replenishment or Global Customer Service contact [info@kippertool.com](mailto:info@kippertool.com) or by phone at 1-800-295-9595.

Keeping in stride with Kipper Tool's dedication to VMTS configuration, assembly and management of tool Sets, Kits and Outfits (SKO) that increase productivity, efficiency and standardization, we now offer Replenishment Kits. Each Replenishment Kit is customized to refill all the consumable items within a particular SKO.

If you have one of the new Engineer Tool Systems, a Replenishment Kit for each has been completed and assigned National Stock Number. The NSNs listed below will match your SKO NSN with it's Replenishment Kit NSN. Each Replenishment Kit corresponds to each tool, container, fit, form and function of it's parent SKO. This will eliminate hours of research and erroneous ordering.

We understand the complexity and problems in replenishing SKOs with consumable items. Therefore we would like to prevent anyone from having to wait for the correct consumables, often resulting in needless injury or destroyed equipment when they attempt to complete a job with incorrect items. Establishment of these Replenishment Kits will provide a simple way to preorder with build material estimates and quickly reference the correct items.

SKO Name	SKO NSN	Replenishment Kit NSN
Carpenter's Squad Tool Kit	5180-01-587-7997	5180-01-587-7994

## Complete USMC Carpenter's Tool Kit (Box 1-5)

The Carpenter Tool Kit consists of carpentry hand tools, materials and battery powered tools used to perform basic woodworking and wood construction operations at the company level. The kit is comprised of one Carpenter Platoon assembly, sub-kit, and three Carpenter Squad sub-kits per total Carpenter Kit. It is stowed and transported in five ruggedized cases.

NSN 5180-01-551-8250

## CARPENTER'S SQUAD TOOL KIT

Carpenter 's Tool Set is the principal item of equipment provided to general construction and combat engineer squads, packing and crating sections, shipping sections, confinement facilities, medical rehabilitation sections, and grave registration sections.

- 20V Cordless Tools & Chargers
- Construction Hand Tools
- Blades Bits & Other Consumables

**P/N: KIT 5300-M**  
**NSN: 5180-01-587-7997**

## CARPENTER'S PLATOON TOOL KIT

The Kipper Carpenter's Platoon Tool Kit is employed in situations where simple hand tools are not sufficient for the tasks, inappropriate, cumbersome, unsafe or unwieldy. It builds on the Kipper Carpenters Tool Set for squads and increases productivity, morale and safety by enabling Soldiers to complete the physically demanding and repetitive tasks of sawing and drilling.

- 20V Cordless Tools & Chargers
- Construction Hand Tools
- Blades Bits & Other Consumables
- Includes KIT MKT-ND14

**P/N: KIT 6000-M**  
**NSN: 5180-01-587-7998**

## CARPENTER'S PLATOON TOOL KIT SUB KIT

This Fastening & Powder Actuated Tool Kit Sub Kit contains components and consumables to compliment KIT 6000-M. This set contains pins, powder loads, and fasteners.

- Component of KIT 6000-M
- Component of KIT PIO1002

**P/N: KIT MKT-ND14**  
**NSN: 5130-01-474-4879**

## CONSTRUCTION SHOP TOOL KIT (BOX 1-5)

The Construction Shop Tool Kit consists of 5 Boxes including everything needed for a user portable construction shop. This kit has saws, drills, sanders, table saw, chop saws, planer, router, air compressor and nailers. This kit includes all blades bits and consumables and ensures compatibility.

### COMPLETE 5 BOX KIT

P/N: KIT TMSEWWBM-3KT-M

NSN: 5180-01-587-8000

### Construction Shop Tool Kit BOX 1

Box 1 consists of Miter Saw, Circular Saw, Reciprocating Saw, & Chop Saw. This kit also contains clamps, cords, blades and consumables to support.

- 12" Double-Bevel Compound Miter Saw
- 14" Chop Saw
- Keyless Reciprocating Saw
- Other tools and accessories

#### Box 1

P/N: KIT TMSEWWBM-3KT-M-BX1

NSN 5180-01-590-5876

### Construction Shop Tool Kit BOX 2

Box 2 consists of 2 HP Router, Jig Saw Kit, Planer, Portable Table Saw. This kit also contains cords, blades and consumables to ensure compatibility.

- 2 HP Plunge Router
- 3-1/4" Planer 7 amp
- Portable Table Saw
- Jig Saw Kit

#### Box 2

P/N: KIT TMSEWWBM-3KT-M-BX2

NSN: 5180-01-590-5877

## Construction Shop Tool Kit BOX 3

Box 3 consists of Hammer Drill, VSR Drill, HT Framing Saw, and Hole Saw Kit. This kit also contains cords, blades, bits, and consumables to ensure compatibility.

- 1/2" VSR Drill
- 1 1/8" SDS Hammer Kit
- 7-1/4" High-Torque Framing Saw

### Box 3

**P/N: KIT TMSEWWBM-3KT-M-BX3**  
**NSN: 5180-01-590-5865**

## Construction Shop Tool Kit BOX 4

Box 4 consists of 200 PSI Compressor, Framing Nailers, and Air Hoses. This kit also contains cords, hoses and accessories to ensure compatibility.

- 4-1/2-Gallon 200-PSI
- 21° Full Round Head Framing Nailers

### Box 4

**P/N: KIT TMSEWWBM-3KT-M-BX4**  
**NSN: 5180-01-590-5867**

## Construction Shop Tool Kit BOX 5

Box 5 consists of Belt & Disc Sander & Drill Press. This kit also contains cords, stands, and safety equipment.

- 6" Belt / 9" Disc Sander
- 12" Drill Press

### Box 5

**P/N: KIT TMSEWWBM-3KT-M-BX5**  
**NSN: 5180-01-590-5869**

## Pioneer Squad Tool Kit

The Pioneer Squad Tool Kit consists of Shovels, Axes, Cutters, Pry Bars, Hammers, Rappel Kit, and Multi-Purpose Tools. This Kit is designed to support Marines at the Squad level. It is stowed and transported in KipperTool® ruggedized cases.

P/N: KIT PIO1002-M  
NSN: 5180-01-587-8021

## Pioneer Platoon Tool Kit (Box 1-3)

The Construction Shop Tool Kit consists of 5 Boxes including everything needed for a user portable construction shop. This kit has saws, drills, sanders, table saw, chop saws, planer, router, air compressor and nailers. This kit includes all blades bits and consumables and ensures compatibility.

### COMPLETE 3 BOX KIT

P/N: KIT PIO1003-M

NSN: 5180-01-587-8019

### Pioneer Platoon Tool Kit BOX 1

Box 1 consists of Climbing Equipment, Ladder, and Chain Saw. This kit also contains belts, safety gear, and accessories to support climbing and cutting.

- Pole & Tree Climbing Harness
- 20" Chain Saw
- 14' Ladder

#### Box 1

P/N: KIT PIO1003-M BOX-1

NSN: 5180-01-589-7936

### Construction Shop Tool Kit BOX 2 & 3

Box 2 & 3 consists of Shovels, Axes, Picks, Post Digger, and Rappel Kit. It is stowed and transported in KipperTool® ruggedized cases.

- Shovels, Axes, Picks
- Hole Diggers and Hammers
- Rappel Kit

#### Box 2 & 3

P/N: KIT PIO1003-M BOX-2

NSN: 5180-01-589-7943

## Mason's & Concrete Finisher's Tool Kit (Box 1-5)

The KIPPERTOOL® Masonry & Concrete Finisher's Tool Set (MAS1000-M) provides US Marines with masonry and concrete working tools for flatwork and vertical block, brick, and reinforced concrete work. It enables combat engineers to work in austere or developing theaters with limited electrical power sources. The MAS1000 consists of 5 Boxes and contains top quality brands.

### COMPLETE 5 BOX KIT

**P/N: KIT MAS1000-M**  
**NSN: 5180-01-589-7953**

### Mason's & Concrete Finisher's Tool Kit BOX 1

Box 1 consists of Trowels, Hoses, Brushes, and consumables to support.

- Carbon Steel Finishing Trowel
- Margin Trowel
- Brushes
- 

#### Box 1

**P/N: KIT MAS1000-M BOX-1**  
**NSN: 5180-01-589-7953**

### Mason's & Concrete Finisher's Tool Kit BOX 2

Box 2 consists of Angle Grinder, Laser Level Kit, Cut Off, and Hand Tools. This kit also contains cords, blades and consumables to ensure compatibility.

- Rotary Self Leveling Laser Kit
- 13 Amp Angle Grinder
- 12" Machine Cut Off
- SG Grip Drive Power
